Membership Levels and Benefits in the Senior Academy of the NC Academy of Science

INDIVIDUAL MEMBERSHIPS

Regular \$30

Confers all rights and privileges of the Academy, including one annual subscription to the *Journal of the North Carolina of Science* (four issues), right to attend meetings and hold office, and voting privileges.

Patron \$50

All rights and privileges as Regular membership, plus acknowledgment in the Newsletter and the Membership Directory.

Joint \$40

Open to spouses and partners. All rights and privileges as Regular membership, including one subscription to the *Journal of the North Carolina Academy of Science*. (Provide information for each person.)

Graduate Student \$10

All rights and privileges as Regular membership, except no *Journal* subscription. Student status must be certified by faculty supervisor.

Life \$750

All rights and privileges as Regular membership, with no further payment of annual dues. Payment must be in one lump sum or three equal payments over three consecutive years.

Emeritus \$0

All rights and privileges as Regular membership, except no *Journal* subscription. Open to retired persons with active membership in the Academy for 10 years. Requires election by the Board of Directors. *Journal* subscription available for \$20.00.

SUPPORTING MEMBERSHIPS (Forms available ncacadsci@meredith.edu)

Sustaining \$300 minimum

Open to commercial, industrial and other organizations. A representative of the organization shall have all the rights and privileges normally accorded to Regular membership. Member organizations are also listed on the cover of each issue of the *Journal*. Other rights and privileges may be determined by the Board of Directors.

Associate \$100

Open to any active organization having scientific objectives. A representative of the organization shall have all the rights and privileges normally accorded to Regular membership. Member organizations are also listed on the cover of each issue of the *Journal*. Other rights and privileges may be determined by the Board of Directors.

Institutional \$125 or \$250

Open to schools, colleges and universities. A delegate of the institution shall have all the rights and privileges normally accorded to Regular membership. Member institutions are also listed on the cover of each issue of the *Journal*. Other rights and privileges may be determined by the Board of Directors. Institutions should complete the [institutional membership form](#). Membership fee is \$125 per year for institutions having fewer than 2000 students and \$250 per year for those institutions having 2000 or more students.

MEETING SPONSORSHIP

This is a special way for any individual or scientific organization to support the Academy. Contributions may be made in any amount beginning at **\$100**. Sponsors are listed in the Annual Meeting Program. Sponsors have the option of requesting an Associate Membership.

FUNDS

Yarbrough Undergraduate Research Grants Approximately 10 grants are awarded annually with amounts in recent years varying from \$30 to \$500.

Robert R. Bryden Graduate Research Grants Grants up to \$1,000 are awarded to support graduate student research, equipment, and expenses related to attendance of scientific meetings.

Research Grants Trust Fund deposited to Merrill Lynch Endowment, the income of which will be used for research grants when endowment is \$100,000.

Contact Office Manager at ncacadsci@meredith.edu for more information on memberships.
