

AUTHOR PERMISSION FORM

Dear _____:

The North Carolina Academy of Science (hereinafter “NCAS”) is attempting to make all articles published in print editions of the *Journal of the Elisha Mitchell Scientific Society* and its successor *Journal of the North Carolina Academy of Science* (hereinafter “the Journal”) available online. In this effort, NCAS would like to digitize all articles and make them available without charge to the general public. It is our hope that this service will provide an opportunity for broader access to the articles we publish. To assist in moving forward with this project, please confirm that you grant to NCAS a permission to distribute your article using current and future technological means by reviewing, signing and then returning to NCAS a copy of the form set forth below.

Sincerely yours,

Frank J. Schwartz, Executive Editor

Author’s Name: _____

Article Title: _____

Volume ____, Issue __, and Publication Date _____.

I hereby grant to the North Carolina Academy of Science (hereinafter “NCAS”) a limited, non-exclusive, royalty-free license to digitize, reproduce, distribute, publish and display the article identified above (“Article”) in electronic media and any other format to facilitate public access to the Article. I further grant NCAS the right to modify the Article in order to provide it to their readers in other media and formats. All of the rights listed above may be exercised in all media and formats whether now known or hereafter developed.
